

After School Program Registration for Second Semester

The first semester of the After School Program ends on January 30 and the second semester starts on February 3. Yesterday, January 15, was the deadline for submitting your registration for second semester. About half of the students we expected to register have now turned in their paperwork.

Many families have requested an extension until Tuesday morning, January 21, to submit their registration materials and payment. The Parents Association is pleased to set January 21 as the final deadline. Please understand that we need to confirm classes with our faculty and students at that time. Sadly, we will have to also cancel classes that have not met the minimum number of students. Therefore we need to know what classes you would like to take ASAP.

Please try not to wait until the last minute to register because some classes are getting close to being sold out. You can find registration material on the SOF website at www.sof.edu/students/after-school-at-SOF. You can also request information or send questions to SOFAfterSchoolProgram@gmail.com.

Registration materials can be turned in at the SOF office. To expedite this process, if you are paying by credit card please scan your form and email it before January 21 to SOFAfterSchoolProgram@gmail.com.

Monday classes with some space include Fitness, PhotoShop and Website Design, Studio Art, Fun with Science, and Power Hour with extra help in Science.

Tuesday classes with some space include Cheerleading, Robotics, Rock Band, Beginning Drumming, You Are Worth a 1000 Words (learn about how the media impacts the way we view ourselves through research and art projects), Difficult Conversations, and Power Hour with extra help in Math.

Wednesday classes with some space include Hip Hop Dance, What's Your Meme (creating memes and getting them to compete on the internet), Rock Band, Beginning Guitar, Creative Writing and Poetry, and Power Hour with extra help in Science.

Thursday classes with some space include Fitness, Flag Football, Video Game Design, Voice Lessons, Comic Book Writing, French, Magic, and Power Hour with extra help in Math.

Friday classes with some space include Cheerleading, Beat It (composing music), Music Theory, and Power Hour with extra help in Humanities and English.

Thanks,
The Parents Association

Please donate to the SOF PA to support our school's great programs:
