

Ebulletin January 23, 2014

The last minute is now.

Your student will not have a place in the After School Program unless you send in registration materials for the second semester in the next few days. The current semester ends on January 30. Some classes will need to be cancelled if we have insufficient enrollment so please register now if you want to take a class and do not wait.

You can find information about the classes and a registration form for second semester on the SOF website at <http://www.sof.edu/students/after-school-at-sof/>. Scholarships are available for families who receive Free Lunch and the application is part of the registration form. Scholarship funding is still available.

Registration is on a first come, first served basis and we have limited space available in some classes while others are no longer available.

There was an error in the original registration materials and the price of We Are Worth 1,000 Words is only \$151 including supplies. This amazing nine-week class is an interesting combination of studio art, learning how the media's messages change our self image, and how to use art to send a message.

Here are the classes that are still available: Power Hour, Fitness Club, Photoshop and Website Design, Studio Art, Fun with Science, Cheerleading, Robotics, Rock Band, Beginner Drumming Lessons, Beginning Guitar Lessons, Hip Hop Dance, We Are Worth 1,000 Words, Difficult Conversations, Creative Writing and Poetry, Flag Football, Video Game Design, French, Magic, and Beat It for writing music.

Here are the classes that are no longer available: Glee Club, Voice Lessons, What's Your Meme, Music Theory, Girls Group, and Comic Books.

Please send an email to SOFAfterSchoolProgram@gmail.com if you have any questions.
