

Registration Is Open for After School@SOF

With a very successful first semester almost done, it is time to register for the second semester of the After School Program. The After School Program is open to students from all grades. 103 students from Grades 6 through 10 participated in 15 classes and had a great deal of fun during our first semester.

The first semester classes end on January 30. Second semester classes start on February 3. The deadline for registering for second semester is January 15. Registration is on a first come, first served basis so register early so you do not get sold out.

If you need a copy of the course offerings and registration form, please send a request to SOFAfterSchoolProgram@gmail.com or pick up one from the SOF Office.

New Classes: Magic, Video Game Design, Glee Club, Robotics, What's Your Meme, Hip Hop Dance, Voice Lessons, Guitar Lessons, Drumming Lessons, Music Theory, PhotoShop, Website Design, Compose Your Own Music, Write a Comic Book, We Are Worth a Thousand Words, French, and Difficult Conversations are just some of our new classes.

Returning Favorites: Of course, we have back many of our favorites including Power Hour, Rock Band, Fun with Science, Studio Art, Creative Writing, and Flag Football. Cheerleading and Fitness Club are now twice a week!

Acting, Newspaper, and Documentary Film are on break second semester but may return next year. If you liked Acting class, consider Glee Club, Magic, and Voice Lessons. If you liked Newspaper, try Creative Writing, Write a Comic Book, or We Are Worth a Thousand Words. If you liked Documentary Film, try We Are Worth a Thousand Words.

We think you will be pleased with the changes we have made based on your feedback. We will now operate Monday through Friday until 5:30. We have almost doubled the number of classes and added more classes that are fewer weeks and shorter so you can try many different things. We now allow payment by credit card as well as cash, check, and money order.

We have added some time to do homework in the beginning of many classes to get students started on assignments. Power Hour will always be a good place to get any subject's homework done but certain Power Hours will now have available extra one-on-one assistance for Science, Math, Humanities, History, or English.

Please email any questions to SOFAfterSchoolProgram@gmail.com.
