

Dear 8th Grade Families,

On Thursday, October 10th, your child will receive his or her High School Application, as well as a receipt for the SHSAT and/or LaGuardia audition if you requested a ticket for either or both. Please ask your child for these important documents and keep them somewhere safe! These applications are due back Monday, December 2nd.

On October 16th at 5pm we will be going over important details about the application, including the process for ranking schools and how to change any incorrect information on the application. I hope to see you then.

On or around October 18th tickets will be distributed for the SHSAT and/or LaGuardia auditions to students who requested them.

Please do not hesitate to email or call with any questions, though I anticipate many questions will be answered on the 16th.

Thank you,

Samantha Shapiro
