

All High School students will be released this Thursday, Oct. 24th, at 12:30pm.

This is for our first high school open house for prospective students. Because of contractual constraints we have to have our two high school open houses during the school day.

Also --

The next high school open house will be on Thursday, Nov. 14th. I have quite a few student volunteers for this but I can always use more. These open houses are very large.

Thanks!
