High Schoolers Out Early on Wednesday

High School students will be released for the school day on Wednesday at 12:30pm.

The High School teachers participate in High School Open House at that time. Students are encouraged to help with the Open House and any who wish to should let [Ms. Pichardo](#) in the office know.

Interested in Working in the EA After School?

We are excited to say that our After School program is extremely popular as many more students than we thought are involved and even more want to get involved!

In order to maintain a high quality of programs, we need some more staff to lead power hours at different slots Monday through Friday and we also need a Middle School boys basketball coach.

Are any of our parents interested? Do any of you know friends or family members who may be interested?

Please email Helen Levine at helenslevine@hotmail.com if you are interested in learning more or know someone who may be a great match for the program!
