Afterschool Sports

On MS Basketball:Our coach Chucks has finalized
the middle school varsity girls and boys basketball team.
We will release information on participants tomorrow.

For those who tried out and did not make the varsity team or those who regularly go to games, will be placed on a practicing team. We are trying to work out flexibility with the coach and gym. We hope to call this our practicing team/junior varsity team. We are also trying to organize scrimmages with other schools so our practicing team will be able to play competitively at least once a month.

Games and practices for basketball start in November.

Ukeleles for the Middle School!

A note from Lindsay Powell, 6th Humanities at SOF

Hi there,

I've created a classroom project request through DonorsChoose.org to bring ukuleles to my students.

My project only has less than 30 days to reach funding or it expires. Donations of any size will help my kids. Your donation will brighten my students' school year, and you'll get heartfelt thank yous from my class and photos of your gift in action.

Here's the link to my classroom request:

[Ukulele Starter Kits for Kids!](#)

If you know anyone who is passionate about integrating the arts into education, please pass this along. My students and I greatly appreciate your support.

Supplies Requested

As winter months approach, our classrooms can all use some:

- Tissues
- Hand sanitizer
- AAA batteries for graphing calculators (please send to Ms. Thole)
- Copy Paper

**Thanks to everyone for baking, selling & buying
at the BAKESALE last Friday!**
