

## SOF Parents Association After School Program

**Over 100 students have registered for the After School Program. All of our classes are taught by SOF faculty and include a snack. Our first semester classes continue until January 30. We will hold registration in late December and early January for the second semester. There is still an opportunity to register for classes that meet in December and January:**

Day	Class	Description	Faculty	Registration Fee
Monday	Power Hour	Supervised homework	Rick Smetana	\$84
Tuesday	Power Hour	Supervised homework	Rebecca Williams	\$98
Wednesday	Power Hour	Supervised homework	Stephanie Vanduinen	\$98
Thursday	Power Hour	Supervised homework	Catherine Thompson	\$112
Thursday	Fitness Club	Stay in shape and have fun	Mandy Wurtz	\$112
Thursday	Fun With Science	A chance to experiment!	Josh Hurley-Bruno	\$162

To register for an After School Program class, please print out the form below, fill it out, and return it with a check and the registration fee. Your family will need to send a check made out to SOF Parents Association. If you do not have a checking account, a money order or cash is okay. Please give the form and the fee to Marguerite.

If you qualify for Free Lunch, the Parents Association is pleased to offer your family a scholarship for the After School Program. However, this scholarship is not for the full amount of the registration fee because so many families need our help. Every family will be comfortable with paying a different amount and that is okay.

Please send questions to [SOFAfterSchoolProgram@gmail.com](mailto:SOFAfterSchoolProgram@gmail.com).

Thanks,

SOF Parents Association
