SOF Classrooms Need Your Supply Donations

In this year's budget the DOE gave SOF much less than it needed to maintain all of our programs. One of the ways we have kept our teachers is to reduce the expense budget and count on families, like you, to donate supplies. Lots of families sent in supplies at the beginning of the school year but many classrooms are running out. Please try to send something in to each of your student's classrooms in the next month or just bring it along when you attend a meeting at SOF and drop it with Marguerite in the office.

The classrooms always need loose leaf paper, copier paper, Post It Notes, antibacterial hand cleaner, pens, pencils, and tissues. We have a special need now for Dry Erase markers, easel size Post It Notes, rulers, scissors, and staplers. SOF also spends over \$10,000/year on toner and ink for our copiers and printers so please consider sending a Staples or Office Max gift card to Marguerite to help pay for these.

Throughout the year you may also hear from the PA Grade Representative for your class telling you about additional needs that your child's teachers have and we hope that you can help there too.

Thanks for helping keep more teachers in classrooms at SOF!

Tonight and Saturday: Brighton Beach Memoirs!

Play by Neil Simon, wonderful production by SOF

Friday and Saturday, Dec. 13 and 14

7 pm at SOF
