**The Mayor has cancelled school for Tuesday, January

SOF will not be open.**

Reminder to Middle School Parents: Early release on 1/28 has been moved to Thursday 1/29.

Getting Information About School Closures

As this winter's first major snowstorm gets under way, we'd like to remind everyone about several ways to stay up to date on when SOF and/or the After School will be closed:

- Watch for SOF eBulletins.
- Check www.sof.edu for banner alerts.
- Notify NYC, the city's free, official alert system available via email, phone, and text. Sign up at www.nyc.gov/notifynyc and remember to keep your contact information up to date with them.
- Watch and listen to local news.

We hope you and your family will stay safe and warm!
