May 18, Sunday: AIDS Walk:

Dear SOF Families,

We are excited to announce that School of the Future will be participating in the 2014 AIDS Walk for New York! It will take place this year on Sunday, May 18 in Central Park. We need your support for the School of the Future team!

We would love for every single student to get involved. It is free to register for AIDS Walk New York, and there is no fundraising minimum. This ensures that every single student can get involved, either by fundraising or walking. If you would like to join our team and walk with us, here is how to register for our team:

Visit [aidswalk.net/newyork](http://aidswalk.net/newyork) and click "Register Now."

Then, click on "Join a Team" and find our team's name (School of the Future) from the drop-down menu or you can go to the search bar and type in our team's name.

Not only will the walk be fun and rewarding, it's also an important opportunity for our school to give back to the community. Since 1986, AIDS Walk New York has raised more than \$133 million for HIV programs and services in the tri-state area, and has grown into the largest AIDS fundraising event in the world. In 2013 alone, more than 40,000 participants, raised more than \$5.5 million for GMHC and 40 other local AIDS service organizations. We're excited to be participating and helping to make a difference in the lives of New Yorkers.

The School of the Future AIDS Walk New York team has set a very ambitious goal of

fundraising \$5000. We believe we can accomplish this lofty goal by rallying our community around this important cause. Please support us by contributing \$10, \$25, \$50, or whatever you can. Every donation is greatly appreciated and makes a difference! No donation is too small (or too big)! We hope that you will support this cause and participate with your child.

Please donate to our team fundraising page at [aidswalk.net/newyork](http://aidswalk.net/newyork). Find “Team Central” in the bottom left hand corner of the page and click “Team Search.” Search for School of the Future (9806), and once on our team homepage click Give Now! Or, if you prefer, you can sponsor an individual walker by clicking “Sponsor a Walker” on the homepage and typing in the person’s first and last name.

If you have any questions, please email the SoF Team Coordinator, Ms. Thompson, at [cthompson@sof.edu](mailto:cthompson@sof.edu).

Here’s to our AIDS Walk New York 2014 team making a difference in the fight against AIDS!

Sincerely,

Ivy as a representative of the SOF AIDS Walk Team Leadership Committee
