SOF Family Handbook Now Available in Chinese and Spanish

We are very pleased to announce two new editions of the complete Family Handbook! Our sincere thanks to Lisa Tan and Una Wilkinson (Chinese translation) and Manuela Cattaneo and Jill Vexler (Spanish translation) for all of their efforts. The Handbooks express the vision, mission, and guiding principles of our school community.

To obtain a printout in Spanish or Chinese, contact Marguerite (mscully@sof.edu). The two new versions will soon be joining the English edition on the SOF website's [Family Handbook](#) page as PDFs and can be printed from there. Please help spread the word that these are now available.
