

## Ebulletin May 12, 2014

**Reminder -- Difficult Conversations, an After School class taught by Stacy Goldstein, starts tomorrow on May 13 for four Tuesdays.** The class is held on Tuesdays, May 13, 20, 27, and June 3, from 3:30 to 5:00. The registration fee is \$56. Scholarships are available. Registration is free to students who attend Tuesday Power Hour and want to switch to this class for the four sessions. The class will help you learn to address the sticky situations in your life better. If you are interested, please complete an After School form (find one at [www.sof.edu](http://www.sof.edu)) and email it to [SOFAfterSchoolProgram@gmail.com](mailto:SOFAfterSchoolProgram@gmail.com) or bring it to the cafeteria with payment on Tuesday by 3:30.

**After School Closings** – There is no After School Program on Friday, May 23, the Friday before the Memorial Day Weekend. This was originally announced in the second semester registration materials. SOF is closed on Thursday, June 5, so there is no After School Program that day. The DOE recently announced that all schools will close at 11:30 on June 3 and 9, and this means that there will be no After School Program those days as well because we must close when school is closed. Please email questions to [SOFAfterSchoolProgram@gmail.com](mailto:SOFAfterSchoolProgram@gmail.com).

**End of Year After School Program Celebration** – Please save Monday, June 2, for an After School Program party to include all registered After School students and their families, faculty, staff, and volunteers from both the first and second semester. The event will be held at SOF from 5 to 7 pm and include dinner, performances, and small gifts. Please contact Helen Levine at [helenslevine@hotmail.com](mailto:helenslevine@hotmail.com) if you would like help organize this event. Invitations will be emailed soon.

**SOF Needs Used iPads and Kindles** – The literacy coach at SOF needs a few more iPads and Kindles for students to use NOW. Used equipment in working condition is fine. If you can donate a device it will make an enormous difference to a student. Please leave the device and its recharger in the office for Katherine Messer as soon as possible. Please contact [helenslevine@hotmail.com](mailto:helenslevine@hotmail.com) if you have any questions.

*Please donate to the SOF PA to support our school's great programs:*
