Educational Alliance After School @SOF

We hope you are having a great summer and we are pleased to share with you exciting information about EA After School@SOF.

This program is open to every SOF Middle School student and, on a space available basis, to our High School students. SOF has partnered with The Educational Alliance (www.edalliance.org) to deliver this program.

The Program operates almost every day SOF is open, from the hours of 3:15 to 6:15 pm, and all day on many weekdays when SOF is closed. The Program starts on September 8 and ends on June 25.

Through our partnership with The Educational Alliance, After School@SOF is funded through a New York City Department of Youth and Community Development (DYCD) grant for the next four years as part of The Comprehensive After School System of New York City (COMPASS) program for middle schools known as School's Out New York City (SONYC). All classes are free.

A description of the Program class and activity offerings, registration materials, and a registration schedule are now available under the Students tab (EA After School@SOF) of the SOF website at www.sof.edu. Registration is in person and begins on Monday, August 25, and is on a first come, first served basis. Families are encouraged to register ASAP to avoid being put on a waitlist for participation.

If you have any questions, please email SOFAfterSchoolProgram@gmail.com.
