

August 26, 2015

Dear SOF Families,

On behalf of School of the Future Parents Association (PA), we are very happy to welcome new and returning families to SOF. All of us at the PA are looking forward to reconnecting with families, teachers, staff and students and getting to know all newcomers as we continue to build and strengthen the SOF family. The SOF PA is focused on raising funds for the school and fostering a sense of community. We earnestly hope that you will join our many efforts to reach these goals.

We are working to improve communications with you well as increase the number of yearly events which focus our efforts toward securing much-needed funds to enhance the learning environment at SOF.

As parent/guardians of an SOF student, you are automatically a member of the PA. There is no registration and no fees are required. Your support and involvement will help enrich your child's experience at SOF. You will learn what is happening at the school and meet others who work hard to make SOF the best school that it can be for all of our children.

There are many ways to get involved. Please try to attend the monthly meetings. But if you can't, meeting summaries will be posted on the SOF website. Bring YOUR TALENTS to SOF by joining a committee or representing your child's grade as a class representative.

What would YOU like to do? How can your skills, networks, and resources complement or increase PA programming for our students and teachers? Your donations of money, time, and talent make all the difference in the world to increasing the energy and success of the PA.

We look forward to an exciting year. We truly welcome and appreciate your feedback, suggestions, talents and desire to join in the efforts to build community around SOF. Please don't hesitate to contact us with your questions, ideas, and ways to become involved.

Warm regards,

Co-Presidents: Nakia Booth and Jill Vexler
