

The Parents Association Needs You!

Thank you to everyone who has already volunteered. Being active in the PA gives you the chance to learn more about and influence what is going on at SOF. Whether your passion is organizing events, helping with fundraising, communicating with our families, or community development, we need you. Any and all help is appreciated.

We are currently looking for help with the following roles. Please email us and tell us how you would like to join the team. Thanks!

After School Volunteers – We need an extra pair of hands from 3:15 to 4:00 from Monday through Thursday. Pick one or more days and we would love to have your help. Please contact Helen Levine at helenslevine@hotmail.com.

11th Grade Representative – We have two grade representatives per grade and now need a second representative for 11th grade. Email and sometimes call other families in your grade to organize PA activities and share information. Coming to PA meetings would be great but is not mandatory. Please contact Helen Levine at helenslevine@hotmail.com if this could be you.

Translators -- We would like to be able to communicate in more of the languages of our community. If you can translate documents such as the PA by-laws and minutes and the Family Handbook for posting on the website, or if you could be a point person at school events to translate live as needed (e.g., for questions), please contact Susannah Driver-Barstow at sof_pa@yahoo.com.
