

Dear Families,

We want to clarify our request for the \$100 class fee as part of opening paperwork. This money goes towards science supplies, subsidizing class trips and towards special classroom supplies and programs. To be able to provide the wonderful educational experience we do at SOF, we have to operate on more than the Department of Education budget.

We understand that this may be a restrictive ask for many families and ask only that you please give what you can. We also understand that families' budget plans may make money available at different times throughout the month. We certainly do not wish to make students feel uncomfortable discussing the fee; nor do we wish to make our families feel you must give more than what makes you comfortable.

To best communicate with your child's advisor who collects the fees, please send in a brief note if you cannot pay the fee, can pay part of the fee or would like to pay the fee at a more convenient time for your family.

If you have any questions, please do not hesitate to contact Stacy Goldstein at [sgoldstein@sof.edu](mailto:sgoldstein@sof.edu) or John Fanning at [Jfanning@sof.edu](mailto:Jfanning@sof.edu).

Sincerely,

Stacy & John
