Soccer Team

**Favorite Class:** History

**SOF Faculty Influence:** Mr. Copeland

### Plans after graduation

Chill with the bois

### Favorite SOF memory

Pranking my teachers

### What will you miss most?

My friends

### Teacher quote

*"Jack loves to think deeply and to make people laugh. He's as profound as he is humorous, and so his presence lights up a classroom. The world would be a nicer place if more folks followed the examples he sets through his academic performance, empathy for others, and hard work."*

- Mr. Copeland
