## SENIOR SPOTLIGHT

### TARIQUR RAHMAN

**College:** Brooklyn College

**GPA:** 90%

**Intended Major:** Computer Science

**Career plans:** Cybersecurity, Computer Engineering

**Extracurricular Activities:** Soccer for 4 yrs

**Favorite Class:** History

**Bucket List:** Travel the world and help people less fortunate

**SOF Faculty Influences:** Ms. Thompson, Mr. Copeland, Ms. Murphy, Felix Shen

### Favorite SOF memory

When I was in 6th grade and decided to fight (pushing around) the first week of school. At the time, I could barely speak English and I had to explain everything to Coach James. 😂

---

### Advice I would give my freshman self

"Be a lifelong learner."

---

### What will you miss most?

The people, the classroom discussions, and gym class.

---

### Teacher quote

*"Tariq sets high standards for himself that he always meets, and his analysis of the past and present is sophisticated and insightful. Every day a class discussion is enhanced by his contributions, whether it's a text based connection, a relevant question, or clarification of a point misunderstood by a peer." - Mr. Copeland*
