

2020 SENIOR SPOTLIGHT

ANWESHA DHARA

College: Binghamton University

Intended Major: Economics

Career Plans: Something big

Extracurriculars: Kickboxing,
Model UN

Favorite Class: Physics

Bucket List: Adopt a puppy

SOF Faculty Influences: Mr.
Underriner

Favorite SOF memory

Trying chopped cheese for the first time on the last of junior year.

Gossip in the cafeteria round table during study hall.

Advice I would give my freshman self

"Ask yourself, "is it worth it?" all the time."

What will you miss most?

Planning things

Teacher quote

"Anwesha is a student with laser focus, advanced intellect, and an acerbic wit. She is a person with unrivaled focus and fire, smashing any wall in her path and striving to always achieve more. Though Anwesha's biting humor may sting, she is a deeply kind and caring person who is always thinking of and helping others". - Mr. Underriner
