SENIOR SPOTLIGHT

BUSHRA MUJEEB

College: Baruch College

Intended Major: Finance

Extracurriculars: Model UN, Science Club,
Tutoring

Favorite Class: Math

Bucket List: Travel the world, learn to drive
and get a car, get a kitten, go on Shark Tank

SOF Faculty Influences: Mr. Underriner has
been like a dad to me at SOF for the past 2
years. Besides giving us all snacks, he always
makes sure that I put my best foot forward and
get what I deserve for doing the most. Much
love to him!

Favorite SOF memory

That time I cried because I got a Satisfactory
on an exhibition and Mr. Mark assured me that
I would get an MD because I deserved it. Also,
making Teletubbies in Physics.

Advice I would give my freshman self

"Don't be so hard on yourself, it'll all work out in
the end!" "

What will you miss most?

- Making TikToks in study hall
- Playing Volleyball during gym
- Telling Mr. U to put slides on Classroom
- Eating clementines in Cope's class

Teacher quote

"*Bushra is one of the sweetest and most genuine
people that I know. She is kind and helpful to
others, curious about the world around her, and
always striving to improve herself (hard to do
for someone already so great!). In class and in
the science club, Bushra always has a smile and
is quick with a "hello". Her positivity and
determination are just two of the amazing
things about her that make her such an
unbelievable student, and more importantly,
memorable person.*" - Mr. Underriner
