Favorite SOF memory

Every single games club with Julianna and Mr. U, and being in In the Heights my freshman year,

Advice I would give my freshman self

"Don't let your past define you, and a real friend doesn't make you feel bad about yourself."

What will you miss most?

I'll miss just going to class everyday. I'll miss having a fall play and a spring musical to look forward to. I'll miss seeing my friends and teachers everyday, and just being a part of the SOF community.

Teacher quote

"Dyani, you are the complete package! Being able to sing, dance, act, play ball 😊, have great grades, being an even better person and a leader makes you a SEPTUPLICATE Threat...forget Triple Threat! Your motivation to excel in life for yourself and your family is inspiring and I have always enjoyed our interactions together. I am sure you will do amazing things in life and would love to hear all about your accomplishments over the next several years!"
