SOF Faculty Influences: Felix Shen and Mr. Brostrom

Plans after graduation

Sleeping 😊

Favorite SOF memory

Code Blue

Advice I would give my freshman self

"Care about school."

What will you miss most?

My friends

Teacher quote

"Emma, thanks for letting me push you the last four years to maximize your potential. I appreciate that you never took it personally even though I might have been a bit harsh at times. To me that shows you are open to being better. To know you is to love you and I'm glad to have known you for so long. You are tough and courageous and that will prepare you to handle any tough roads ahead!" - Felix Shen
