Advice I would give my freshman self

"Don't take these next 4 years for granted."

What will you miss most?

Walking through the hallways everyday and never feeling like you were surrounded by strangers.

Teacher quote

"Leevi may look like a normal Finnish teenager in a Supreme tee shirt, but he's actually a superhero: courageous, kind, brilliant and full of compassion. I can't wait to read his first published article and take a class from him after he gets his PhD." - Ms. Candlin
