Plans after graduation

After I "virtually graduate" I plan on attending Binghamton and volunteering at nearby hospitals.

Favorite SOF memory

My absolute favorite SOF memory is my first musical, Footloose 2013.

Advice I would give my freshman self

"I would tell my freshman self those aren't your freshman friends, you live and learn girl ;)"

What will you miss most?

Listening to music with people in Gym, discussions in Copes class, and rehearsal for the school plays.

Teacher quote

"Salonae, you have contributed to SOF's school culture through your leadership in countless activities, but more importantly to me, you've figured out how to lead while also listening, how to call out injustice without ostracizing, and how to be compassionate while still being strong. I deeply appreciate that you refuse to let your ambition overshadow your kindness, and hope you always wield your charisma so conscientiously. You will be sorely missed, but I'm so excited for your future!"
-Ms. Thompson
